

THE SEVEN ARCHANGELS OF THE ELOHIM & CHAKRA HEALING

The Seven Archangels of the Elohim assist in removing negative ego energy from your chakras as you engage in good deeds and loving thoughts. They have shown me that, in the Ancient Egyptian healing tradition, we possess seven primary wheels of energy - chakras - that spin within our bodies. The flow of this energy begins at the top of the head, known as the crown, and moves downward to the feet. Each chakra is connected to one of the seven main organs of the body, as well as one of the seven sinful vices, the seven saintly virtues, and the seven graces of love.

Crown Chakra – Archangel Gabriel

Invite this magnificent angel of the pure white ray of divine light to open your crown chakra and inspire reverence and humility in your thoughts. Gabriel brings clarity, peace, inspiration, creativity, and joy. Ask him to clear any pride or negative thoughts that may block the soul from receiving love, wisdom, and communication from your Higher Self.

Third Eye Chakra – Archangel Zadkiel

Call on Archangel Zadkiel to release any shadows, behaviors, or patterns you may be denying in yourself or in those around you. As the violet light flows, it brings clarity of vision and enhances all of your intuitive senses, especially clairvoyance and claircognizance. This opens you to the grace of love and understanding.

Throat Chakra – Archangel Michael

Ask Archangel Michael to open your throat chakra using his sword of truth and scales of justice. The vice associated with this chakra is gluttony—taking energy without giving in return. Heal this by releasing harsh judgments, criticism, unkind words, or actions. Replace them with compassion and truth. Michael's grace supports you in giving and receiving wise counsel and speaking your truth.

Heart Chakra – Archangel Raphael

Known as the Master Healer, Archangel Raphael supports all living beings. When your heart is filled with divine love and light, you no longer feel needy, manipulative, or demanding. Instant gratification can block your ability to give and receive love—including self-love and appreciation for nature and life. As you nurture self-respect, you become authentic, joyful, and empowered—radiating the grace of courage.

Solar Plexus Chakra – Archangel Jophiel

Archangel Jophiel resonates with the golden ray of wisdom and helps heal deep emotions like rage, anger, and wrath. When we become attached to control, we block the flow of energy and cut ourselves off from the power of love—allowing the ego's love of power to take over. Call upon Jophiel to activate the light of patience, allowing you to focus on your own behavior and cultivate peace, positivity, and serenity.

Sacral Chakra – Archangel Chamuel

The Archangel of love and passion, Chamuel protects the sacral chakra—your center of trust and creativity. The more faith you place in yourself, the more love and inspiration will flow through you. Heal this area by clearing negative energy from friendships and intimate relationships. This chakra thrives in balance and moderation. Fear in this space can lead to greed, excessive desires, or material attachments. Chamuel helps restore divine flow.

Root Chakra – Archangel Uriel

Ask Archangel Uriel to ground and stabilize your energy through the root chakra. The more aware you are of fear as it arises, the more peacefully you can respond. Fear-based energy blocks positive movement. Uriel, through humble devotion, reconnects you with Source energy and anchors divine light from heaven into the Earth, helping you feel rooted, safe, and supported.

Seventh/Crown

Crown Chakra – located at the top of the head. Its function is understanding. Its inner state is: bliss. Its color is Violet and its planet is Uranus. Its stone is Amethyst. Its meditation is: I understand. Balancing this chakra is said to give vitality to the cerebrum and affects the development of psychic abilities.
